

Felipe Palomero Rodríguez

felipe.palomero@upm.es

0034 910671116

Dept. of Chemistry and Food Technology
(ETSIAAB, UPM)

Qualifications	Agricultural engineer, UPM 2005 Ms Viticulture & enology, UPM 2006 PhD Food Sci. & Technol., UPM 2009
Employment	2011- Lecturer (PAD) Food Science & Technology, UPM 2016- Senior Lecturer (PCD) Food Science & Technology, UPM
Board and committee positions	2010-2011- Academic secretary of “Refrigeration and Cooling industrial installations” specialization course organized by Food Technology Department UPM. Cofinanced by Madrid Autonomous Community and the European Social Fund
5 Selected publications	Conventional and enzyme-assisted autolysis during ageing over lees in red wines: Influence on the release of polysaccharides from yeast cell walls and on wine monomeric anthocyanin content (2007) F Palomero , A Morata, S Benito, MC González, JA Suárez-Lepe Food chemistry 105 (2), 838-846 New genera of yeasts for over-lees aging of red wine (2009) F Palomero , A Morata, S Benito, F Calderón, JA Suárez-Lepe Food Chemistry 112 (2), 432-441 Reduction of wine 4-ethylphenol concentration using lyophilised yeast as a bioadsorbent: influence on anthocyanin content and chromatic variables (2011) F Palomero , K Ntanos, A Morata, S Benito, JA Suárez-Lepe European Food Research and Technology 232 (6), 971 Formation of pyranoanthocyanins by <i>Schizosaccharomyces pombe</i> during the fermentation of red must (2012) A Morata, S Benito, I Loira, F Palomero , MC González, JA Suárez-Lepe International journal of food microbiology 159 (1), 47-53 <i>Schizosaccharomyces pombe</i> : A Promising Biotechnology for Modulating Wine Composition (2018) I Loira, A Morata, F Palomero , C González, J Suárez-Lepe Fermentation 4 (3), 70
Patents	-
Peer review	Eur. Food Res. Technol., J. Agric. Food Chem., Food Chem.,
Other appointments	2010-Cristòfor Mestre I Artigas award on Viticulture and Enology. Vinseum and Museu de les Cultures del Vi de Catalunya/Institut Català de la Vinya i el Vi. 2011- PhD. Scholar Award UPM 2011- Official College of Madrid and Canary Islands Agricultural Engineers PhD. Award “José Cascón”
