- **Full Professor of Biomedical Engineering**, Universidad Politécnica de Madrid (UPM), PhD on Telecommunication Engineering.
- **Director**, Phot. Tech.and Bioengineering Department.
- **Senior Researcher**, Spanish Networking Biomedical Research Centre) in Bioengineering, Biomaterials and Nanomedicine (CIBER-BBN, National Institute of Health (Instituto de Salud Carlos III); Biomedical Technology Center, UPM
- **Visiting Professor:** 1) City University - London, 2) Patras and Athens Universities, Greece ; 3)Sczcecin Technology University, Poland.
- **Director**, Master of Science on Biomedical Engineering, UPM. .
- **Principal Investigator** of 49 Research Projects (28 funded by UE, 21 funded by Spanish national research programmes).
- **Publications:** author and co-author of 410 scientific papers and proceedings publications.
- **Secretary General**, Spanish Society for Biomedical Engineering.
- **Former Treasurer and current Council Member**, “European Alliance for Medical and Biological Engineering&Science –EAMBES”.
- **Senior Member, IEEE.**
- **Scientific Advisor** of Measurement and Information in Medicine Institute, City University, London UK; Minimally Invasive Surgery Center (Cáceres, Spain) and Guttmann Institute Hospital (Barcelona, Spain)
- **Scientific Advisor** of telemedicine and eHealth companies.
- **Associated Editor** of “IEEE Transactions on Information Technology in Biomedicine”.
